## M A T E R I A S

ACETYLCHOLINE. Stimulating Effect - on the Papillary Myocardium. S. Middleton, C. Oberti, R. Prager and H. H. Middleton	82
ACCLIMATIZATION. Physiological Mechanisms. E. S. E. Hafez	100
ADRENAL, Action of Cortisone on the Ribonucleic Acid and Protein Nitrogen content of Gland. Helion Povoa Jr. and Pedro Fontana	77
ADRENALINE. Differential Secretion of - Noradrenaline. C. E. Rapola	1
ACTION POTENTIALS. Nerve of the Developing Chick. E. García-Aust, M. A. Patetta-Queirolo and J. V. Luco	129
AMINOPTERIN. Effect of - and sexual Hormones in the Toad. J. C. Penhos	95
ANEMIA. Participación - en la Muerte por Bartonelosis Aguda. Amadeo D. Doménico	123
ANEMIA HEMOLITICA. Provocada por la Esplenectomía en la Rata Blanca portadora de Bartonellas. Amadeo D. Doménico	60
BARTONELLAS. Anemia Hemolítica Provocada por la Esplenectomía en la Rata Blanca. Amadeo D. Doménico	60
BARTONELLOSIS AGUA. Participación de la Anemia en la Muerte. Amadeo D. Doménico	123
CIRCULATORY DINAMICS. Description of - in the Heart and Lungs in Mitral Stenosis By Means of the Dye Dilution Technique. Guillermo Whittembury M., Alberto Casorla T. and Carlos Monge C. with the technical assistance of Miss Luisa Magán S.	15
CO. The effect of Adaptation to co Atmospheres on the Rate of Burning of - by Frog Muscle. Tulio Velásquez and Wallace O. Fenn	23
CORTISONE. Action of - on the Ribonucleic Acid and Protein Nitrogen Content of the Adrenal Gland. Helion Povoa Jr. and Pedro Fontana	77
2,4-DINITROPHENOL. Influence of Glycogen Content on the Effect of - on Glycogen Metabolism in Rat Liver Slices. Hermann Niemeyer, Enrique Figueroa and Carmen González	117
ELECTROLYTES. Effect of Vasopressin and Oxytocin on the Excretion of Water and - (Na, Cl and K) in the Albino Rat. H. Croxatto, R. Rosas and L. Barnati	147
ESPLENECTOMIA. Anemia Hemolítica Provocada - en la Rata Blanca portadora de Bartonellas. Amadeo D. Doménico	60
ESTROGENS. Excretion of Urinary - in the Pregnant Buffalo. Saad Hafez and Tawlik Attar	27
FRUCTOSE. Influence of Glucose - and Hexose-	

phosphates on Glycogen Breakdown and Oxygen Uptake by Rat Liver Slices. Hermann Niemeyer and Enrique Figueroa .....	70	
GLUCIDIC METABOLITES, Influence of Several - on the Aerobic Production of Lactic Acid By Rat Liver Slices. Hermann Niemeyer, Carmen González and Enrique Figueroa ....	157	
GLUCOSE, Influence of - Fructose and Hexosephosphates on Glycogen Breakdown and Oxygen Uptake By Rat Liver Slices. Hermann Niemeyer and Enrique Figueroa .....	70	
GLUCOSE, Influence of DL-Glyceraldehyde and of L-Sorbose-I-Phosphate on Glycogen Synthesis From Glucose by Rat Liver Slices. Enrique Figueroa, Hermann Niemeyer and Carmen González .....	112	
DL-GLYCERALDEHYDE, Influence of - and of L-Sorbose-I-Phosphate on glycogen Synthesis From Glucose by Rat Liver Slices. Enrique Figueroa, Herman Niemeyer, and Carmen González .....	112	
GLYCOGEN BREAKDOWN, Influence of Glucose, Fructose and Hexosephosphates on - and Oxygen Uptake By Rat Liver Slices. Hermann Niemeyer and Enrique Figueroa .....	70	
GLYCOGEN METABOLISM, Influence of Glycogen Content on the Effect of 2,4-Dinitrophenol on in Rat Liver Slices. Hermann Niemeyer, Enrique Figueroa and Carmen González .....	117	
GLYCOGEN SYNTHESIS, Influence of DL-Glyceraldehyde and of L-Sorbose-I-Phosphate on From Glucose by Rat Liver Slices. Enrique Figueroa, Hermann Niemeyer and Carmen González .....	112	
HEARTS, Positive Inotropic Response of Amphibian - to Adenosine Nucleotides. S. Schenberg .....	137	
HEXOSEPHOSPHATES, Influence of Glucose, Fructose and - on Glycogen Breakdown and Oxygen Uptake by Rat Liver Slices. Hermann Niemeyer and Enrique Figueroa .....	70	
HEMOPHILIC, Method to Diagnose the - Carrier Condition. R. Honorcato C. and A. Arenas P.	153	
LACTIC ACID, Influence of several Glucidic Metabolites on the Aerobic Production of - by Rat Liver Slices. Hermann Niemeyer, Carmen González and Enrique Figueroa .....	157	
MITRAL STENOSIS, Description of the Circulatory Dynamics in the Heart and Lungs - by Means of the Dye Dilution Technique. Guillermo Whitembury M., Alberto Corzola T., and Carlos Monge C. with the technical assistance of Luisa Magán S. ....	15	
MUSCLE, The effect of adaptation to co atmospheres on the Rate of Burning of co by Frog. Tulio Velásquez and Wallace O. Fenn .....	23	
MYOCARDIUM, Stimulating Effect of Acetylcholine on the papillary. S. Middleton, C. Oberti, R. Prager and H. H. Middleton ..	82	
NORADRENALINE, Differential secretion of adrenaline and -. C. E. Rapela .....	1	
NUCLEOTIDES, Positive inotropic response of amphibian hearts to adenosine -. S. Schenber .....	137	
OESTROGENS, Excretion rates of - in farm animals. E. S. E. Halez and T. Attar .....	107	
OXYGEN UPTAKE, influence of glucose, fructose and hexosephosphates on glycogen breakdown and - by rat liver slices. H. Niemeyer, and E. Figueroa .....	70	
OXYTOCIN, Effect of vasopressin and - on the excretion of water and electrolytes (Na, Cl and K) in the albino rat. H. Croxatto, R. Rosas and L. Barnafí .....	147	
PREGNANT BUFFALO, Excretion of urinary estrogens in the -. S. Halez and T. Attar .....	27	
PROCEEDINGS OF THE ARGENTINE SOCIETY OF BIOLOGY .....	163	
PROCEEDINGS OF THE SOCIETY OF BIOLOGY OF SANTIAGO DE CHILE .....	186	
PROTEIN, Action of cortisone on the ribonucleic acid and - nitrogen content of the adrenal gland. H. Povo and P. Fontana ..	77	
RIBONUCLEIC, Action of cortisone on the - acid and protein nitrogen content of the adrenal gland. H. Povo and P. Fontana ..	77	
SEXUAL HORMONES, Effect of aminopterin and - in the toad. J. C. Penhos .....	95	
L-SORBOSE-I-PHOSPHATE, Influence of DL-glyceraldehyde and of - on glycogen synthesis from glucose by rat liver slices. E. Figueroa, H. Niemeyer and C. González .....	112	
SYMPATHETIC GANGLIA, The synaptic transmission of - during Wallerian degeneration. Effect of length of degenerating nerve fibers. A. Davidovich and J. V. Luco .....	49	
SYNAPTIC, The - transmission of sympathetic ganglia during Wallerian degeneration. Effect of length of degenerating nerve fibers. A. Davidovich and J. V. Luco .....	49	
VASOPRESSIN, Effect of - and oxytocin on the excretion of water and electrolytes (Na, Cl and K) in the albino rat. H. Croxatto, R. Rosas and L. Barnafí .....	147	
WALLERIAN DEGENERATION, The synaptic transmission of sympathetic ganglia during - Effect of length of degenerating nerve fibers. A. Davidovich and J. V. Luco .....	49	
WATER EXCRETION, Effect of vasopressin and oxytocin on - and electrolytes (Na, Cl and K) in the albino rat. H. Croxatto, R. Rosas and L. Barnafí .....	147
